**Eveoke Dance Theatre has moved to
2811-A University Avenue in North Park.**

**A Grand Opening reception for the public will be held on
November 10th, 2007 from 6-9pm.**

After 13 years calling San Diego's East Village home, Eveoke Dance Theatre announces the company's move to 2811-A University Avenue, located in the center of North Park's growing arts and entertainment district. At Eveoke's newly renovated 3,300 square foot facility, Eveoke's Concert Company will offer a variety of weekly classes for dancers of all ages and abilities. Eveoke provides many performing opportunities for talented young people (by audition) and an innovative teacher training program to nurture the next generation of dance artists. Eveoke's 2,000 square foot dance studio boasts high ceilings and a state-of-the-art sprung wood floor. It is ideal for small performances, dance classes, and community events.

Eveoke's facility will be dedicated at the Grand Opening reception at 2811-A University Avenue on Saturday, November 10th from 6PM until 9PM. The Grand Opening party will feature performances by Eveoke's Concert Company, Performing Group, and Youth Performing Group dancers. The event is free and open to the entire community. Information/schedule: www.eveoke.org or 619-238-1153.

"North Park Main Street is thrilled to welcome Eveoke Dance Theatre to University Avenue in North Park! As an art-focused community, we appreciate the value that creativity-based business brings to North Park. Eveoke represents our vision for the future, including education, imagination, and collaboration. We are proud they chose North Park as their new home."

Elizabeth Studebaker, Executive Director of North Park's Main Street
